Business Advantage Announces Partnership with OnTarget Partners

The IT, software and telecom industry research specialist [Business Advantage Group](#) announced its international partnership with OnTarget Partners, a US based B2B research and marketing firm founded in 1997.

Chris Turner, CEO/Managing Director of Business Advantage said, "Our partnership combines Business Advantage's international and multi-lingual market research and sales development capabilities with OnTarget Partners extensive marketing capabilities. The combined service has been delivered seamlessly to OnTarget Partners' US customers when international research has been required."

Ed Trachier, Founder and CEO, OnTarget Partners said, "we've worked successfully together with Business Advantage on a number of European and Latin American projects and have been delighted by the compatible cultures and work standards of our teams that have delivered real value to our clients. Working with Business Advantage has been "stress-free, seamless and successful" as one of our shared BPO clients stated recently."

Business Advantage's team of specialist researchers has undertaken B2B market research and consulting on a worldwide basis and has successfully completed over 1,000 assignments for information and communications technology clients in over 100 countries, spanning five continents.

OnTarget Partners offers lead generation, marketing, research, creative and online solutions and services to the US B2B marketplace and supports some of the most sophisticated technology companies in the world with their go-to-market strategies.
